

PEARL

RECOVERY RETREAT

SLS HOTEL, BEVERLY HILLS

WELCOME

# OUR PHILOSOPHY

Pearl Recovery Retreat enables patients to heal after surgery in a tranquil, luxurious environment. An upscale wellness center located in Beverly Hills, Pearl unites top-notch medical care with high-end spa amenities to guarantee guests a safe, speedy, and enjoyable recovery.

Recognizing that rest and relaxation are crucial components of healing, Pearl's founders set out to create the ideal setting for recovery. By meeting all of their patients' needs and desires, Pearl allows guests to focus solely on the recovery process.

# OUR PROMISE

At Pearl Recovery Retreat, we recognize that professional recovery is often the difference between a smooth, complication-free post-op experience, and one that leaves a patient feeling unwell and stressed. With that understanding in mind, we promise to provide each guest with expert, compassionate medical care along with spa-like amenities to create the ultimate experience in healing. Patients leave Pearl Recovery Retreat feeling refreshed, rejuvenated, and ready to face the world.

# ABOUT US

Healthcare meets luxury at our revolutionary wellness center in Beverly Hills. Pearl Recovery Retreat offers customized medical attention along with compassionate nursing to ensure guests are cared for and comfortable during every step of the recovery process.

Understanding that a worry-free recovery is essential to healing, Pearl oversees all of its guests' post-op needs including transportation from the surgery center to Pearl, prescription pickup, pain management, dressing changes, and nutrition. With 24-hour medical care, patients can relax knowing that their needs will be met at every hour of the day or night.

As with any recovery facility or hospital, there are additional charges depending on length of stay and procedure. We would like you to be aware of these possibilities before your stay with us. If you have any questions, please let us know.

If you wish to have a guest stay with you while you are recovering, please let us know ahead of time. Also, due to hotel policy we charge \$100 per an additional person staying overnight.

Pearl is not responsible for any in-room ordered movies or additional room service outside of what has been ordered for your stay.

Depending on the procedure you have undergone and the doctors orders, your medical supplies are charged by the day. In some cases we are able to provide a ballpark estimate but we will not know the full scope until after your procedure.

We factor in an added gratuity for hotel staff depending on length of stay.

# DINING SERVICES

One of the best features of our recovery care is the delicious in-room dining menu by renowned chef José Andrés.
